## Spa Care Products

Clark Rubber have a range of Filtrite products designed to make spa care easy .

### **Filtrite 4 in 1 Spa Clarifier**

- A natural polymer designed for spas and hot tubs. This product will remove oils, suntan lotions, (all cause the water to foam) along with dissolved metals, particles and dead algae spores.
- Should be used every time the spa is used.

### **Filtrite Spa Bath Pipe Cleaner**

- Extra strength formula that cleans pipe work in spas and hot tubs as well as spa baths. Removes grime, oils, organic build up, dead skin, waste and calcium scale.
- A must for ALL spa and hot tub owners.

### **Filtrite Stain and Scale Control**

- A superior metal sequestrant designed to remove dissolved metals from spas. A must for all stain removal solutions, it will also prevent scale build up, prolonging heater element life.
- Ideal for new and existing spas.

### **Filtrite Spa Defoamer**

- Silicone based anti foam that is highly concentrated. Just add 2 capfuls to a standard spa and watch the foam disappear.

### **Ethereal Spa Solution**

- Very distinctive natural moisturisers derived from the tropical papaya fruit.
- 5 pleasant fragrances available.
- The use of this product eliminates the common complaint of dry skin by spa users.
- Benefits are long lasting because **Ethereal Spa Solutions** are not an oil based occlusive barrier that washes off the skin.
