Robotic Pool Cleaners

ADVANCE TO A NEW POOL CLEANING EXPERIENCE

FILTRITE RC-6000

Experience an advanced robotic pool cleaning experience with the top-of-the-range Filtrite **RC-6000**. Control your robot using the multi-function power supply or the MyDolphin™ App on your smart device. Set up cleaning programs and manually navigate your Dolphin. The Filtrite **RC-6000** is suitable for all pool surfaces and can adapt to any pool shape for optimum cleaning. With active brushing and multi-layer filtration you will quickly see enhanced and superior cleaning results. Comes with a convenient storage caddy.

 Dual active scrubber	 Caddy	 CleaverClean™ coverage	 18m cable
 Multi-layer filtration system	 MyDolphin™ app control	 Power stream mobility system	 Floor, walls & waterline

FILTRITE RC-4800

Experience superior pool cleaning with the advanced Filtrite **RC-4800** Robotic pool cleaner. The dual-active active brushing action and PowerStream Mobility System deliver efficient pool coverage with extra-thorough scrubbing on all surfaces, ensuring that the floors, walls and waterline are left spotlessly cleaned. Convenient weekly timer allows you to set and forget.

 Dual active scrubber	 Fast water release	 CleaverClean™ coverage	 18m cable
 Multi-layer filtration system	 Weekly timer	 Power stream mobility system	 Floor, walls & waterline

FILTRITE RC-2500

The Filtrite **RC-2500** robotic cleaner is a simple, affordable and reliable model that will allow you to relax in your pool rather than cleaning it. This lightweight robot is ideal for all types of smaller pools and is perfect for modular, above ground vinyl-lined pools.

 Active all-terrain brush	 Fast water release	 CleaverClean™ coverage	 12m cable
 Floor only	 Lightweight	 Easy-clean net filter canister	 Convenient Ergonomic Handle
