

SPA PRODUCT GUIDE

Holiday at home with a spa in your backyard

A woman with blonde hair, wearing a dark bikini top and hoop earrings, is relaxing in a white hot tub. She is leaning forward with her arms resting on the edge of the tub, looking directly at the camera with a slight smile. The hot tub is bubbling with water. In the background, there are green trees and a white building.

**Experience luxury
everyday**

**Treat yourself
to a little luxury
in your own
backyard with a
Leisurescape Spa
from Clark Rubber**

The warm, soothing and dynamic water of a spa is great for your health and well-being. Relax with friends, unwind with your family or just enjoy some important “me” time. Time in a spa is the perfect way to soothe your body, soak away stress, and enjoy the “good life”.

At Clark Rubber our mission is to provide high quality products at affordable prices. For over 75 years we’ve helped Australians turn their dreams into a reality, and now it’s no different with Leisurescape Spas.

Leisurescape Spas have a large range to choose from including Portable Lounge Spas and Swim Spas. Our most popular portable lounge spas are equipped with reclining seats, hydrotherapy jets, ozone disinfection generators, advanced illuminated control pads and colour-changing lights.

If you really want to splash out, the Leisurescape Spa range also includes Swim Spas; an alternative to an in-ground back yard swimming pool, for splashing around and exercise, as well as giant dual-zone swim spas, with a swim zone and a lounge zone for the best of both worlds.

All Leisurescape Spas are designed to be self-contained, and easy to operate. They are made from durable, high-quality materials and equipment, including a super-tough stainless steel frame, high quality Aristech acrylic shells and durable PVC cabinets.

Bondi Single Zone Swim Spa

Swim Spas give you the best of both worlds, with a place to relax for a message and a place to exercise, and because they are heated, you can use them as a swimming pool every month of the year.

The Leisureescape Bondi is a popular Single Zone Swim Spa that is the perfect choice for those who want to Train or Relax. Bondi includes typical spa features such as hydrotherapy jets, LED lighting, and head rests and merges this with the spaciousness of a swimming pool with four high-powered swim jets. This could be the makeover your backyard needs.
